

Hi Linda,

This is Debbie, Phil McDavid's girlfriend. I would like to ask a favor of you. Would you mind to forward this email to the people on your Class of '59 email list?

Aside from the people I sent a link to, no one has been able to find Phil's obituary online to sign his guest book. The reason is that it doesn't come up unless you know Phil's first name was really Glenn. Anyway, we created a memorial website for Phil, (which Larry Morrow sponsored), and I'd like to let all his former classmates know about it.

Here's the link to the website:

<http://memorialwebsites.legacy.com/philmcdavid/Homepage.aspx>

It includes a timeline of Phil's life, which Phil wrote himself, accompanied by pictures. Also, his obituary, a guest book, journal, photo gallery and more can be found on the site. So, please, go check out the website. And, while you're there, don't forget to sign the guest book. Also, if anyone has a story about Phil, or photos they'd like to share, they can do so on the site as well. In fact, we encourage you to do so.

Thanks,

Debbie Griggs
